Messrs S. W. H. Chapman

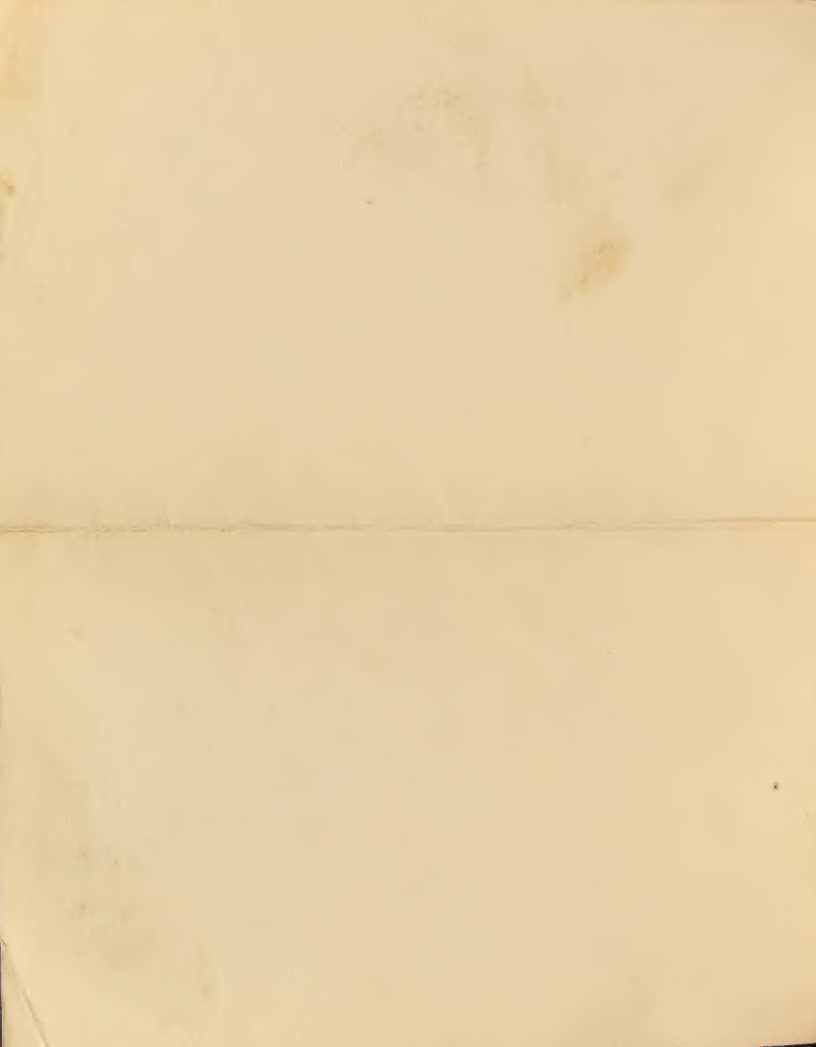

Gentlemen

Seeing, through

an advertisement in the Record some time ago of a coin sale conducted by Davis & Barry in which you were interested, I will say we have a nice collection of pennies complete from 1793 to 1854 inc. my father bought them of the Mason collection in Phila. about 50 yrs. ago they have been well taken care of & enclosed in glass, framed my brother, sister, & myself own them jointly but as I am about to leave here, to reside on the Pacific Coast. wish to sell them, & you will kindly consider the purchase of them. Will you please make us an offer for them? Or must you see them first?

my brother here in Virginia has them.
But if it is necessary to see them before
you could put a value on them, I could
send them to my sister Mrs. Ware who
lives in Amherst. I would like to
know something of their value if you
will kindly reply to this. and oblige
Yours respectfully
Mrs. M. E. Parrett
